

WELCOME TO KYRGYZSTAN

www.kyrgyztwins.com

Dear Partner,

The Kyrgyz Republic is a country in Central Asia, of great interest to tourists, as it is famous for its clean mountain air, centuries-old traditions, unique cuisine and numerous untouched by civilization sections of its territory. Wild nature with beautiful waterfalls and rapid mountain rivers falling into the lakes with crystal clear water will astound you with their beauty. Travelling around Kyrgyzstan, you can go along the historic roads of the Great Silk Road, which once ran through mountain ranges and river valleys, leaving architectural remnants which continue to impress and awe to this day. Completely different at all times of the year, Kyrgyzstan is truly a place to remember.

“Kyrgyz Twins Adventures” tour company has conducted tours for guests from more than 30 countries. We have a team of dedicated individuals who are as diverse as the great country we live in, but all have one thing in common: our immeasurable love for Kyrgyzstan and passion to share it.

Best wishes,

Damir Alymbek Uulu
